❖ SUMMARY

A creative and detail-oriented graphic and UI/UX designer with a strong foundation in design principles, user experience, and visual storytelling. Skilled in list a couple of tools or skills like Adobe Creative Suite, Figma, or prototyping. Passionate about delivering innovative and user-centered designs that meet client and business goals.

❖ WORK EXPERIENCE

As a dedicated graphic and UI/UX designer, I have worked on self-initiated projects and freelance assignments, designing logos, brochures, and marketing materials using Adobe Illustrator, Photoshop, CorelDRAW, and InDesign. I have also developed user-friendly prototypes and wireframes for web and mobile applications using Figma, Adobe XD, and Photoshop. My work focuses on creating visually engaging designs while ensuring functionality and user-centered experiences. Through collaboration and independent efforts, I have honed my ability to deliver creative solutions that align with branding and usability goals.
